

**Hertz #1 Club**

## ***HERTZ #1 CLUB GOLD***

### ***The Fast, Easy Way To Rent A Car Around The World***

AMAC has established a corporate account with Hertz. In addition to cost savings, Hertz offers the most advanced services in the Rent-A-Car Industry.

When booking reservations and when confirming reservations at the counter, always use your Corporate Identification Number CDP-ID 1860452.

In addition to offering a Corporate Rate, Hertz is making available to all travelers free enrollment in its #1 Club Gold Service. As part of your Corporate Discount Program, Hertz has agreed to waive the \$60 Annual Fee for all of your travelers.

#### HOW IT WORKS

Gold Canopy Service - At 42 of the world's major airports, members take a courtesy bus to Hertz' Exclusive weather protected canopied area where your name will be displayed in lights on a computerized sign.

The sign displaying your name will direct you to your pre-selected car, and will be waiting with the trunk open and the rental agreement hanging from the rearview mirror.

A quick identification check at the exit gate and you're on the road...literally minutes after arriving at the Hertz facility. No lines, no stopping at any counters and no rental agreement to sign.
